PRODUCTS CATALOGUE

Trusted Experts in Appearance & Protection Since 1901

**W**hat began over a century ago as a simple furniture polish laboratory in the garage of founder Frank Meguiar Jr., has spanned four generations of the Meguiar family. In his wildest dreams, it's doubtful that Frank Meguiar, Jr., could have foreseen what his first bottle of furniture polish in 1901 would evolve into over the next 100+ years.

Meguiar's® Inc. has become the global leader in appearance care and is proud to offer our next generation of products, tools and accessories to surface care professionals. We strive to set an entirely new standard for quality and performance in the industry.

From his first bottle of furniture polish, Frank Meguiar, Jr. built his business on excellent products and an understanding of his consumer's needs. Today, Meguiar's enduring and strong relationship with surface care professionals worldwide has created a level of trust and respect for the brand that transcends our products and embodies the lifestyle of the car hobby. To this day, Meguiar's is committed to delivering products and building relationships that excite and unite car enthusiasts and professionals worldwide.

The advertisement features a black background with a subtle pattern. On the left, a black box for Meguiar's Deep Crystal Ultra Paint Coating is shown, with the product name and 'M688' clearly visible. Next to it is an open red box containing a small bottle of the product and a black applicator. In the foreground, a hand wearing a black glove holds a larger bottle of Meguiar's Deep Crystal Ultra Paint Coating, with the 'M688' label prominent. The background text reads 'DEEP CRYSTAL' in large, bold, white letters, followed by 'ULTRA PAINT COATING' in smaller, spaced-out letters. Below this, a paragraph describes the product as a professional coating system for long-term paint protection that creates a dramatic hydrophobic effect. At the bottom right, a URL is provided for more information.

# DEEP CRYSTAL®

ULTRA PAINT COATING

Meguiar's® Deep Crystal Ultra Paint Coating is a professional coating system for long-term paint protection. It creates a dramatic hydrophobic effect that forces water into beads and repels them from the surface.
